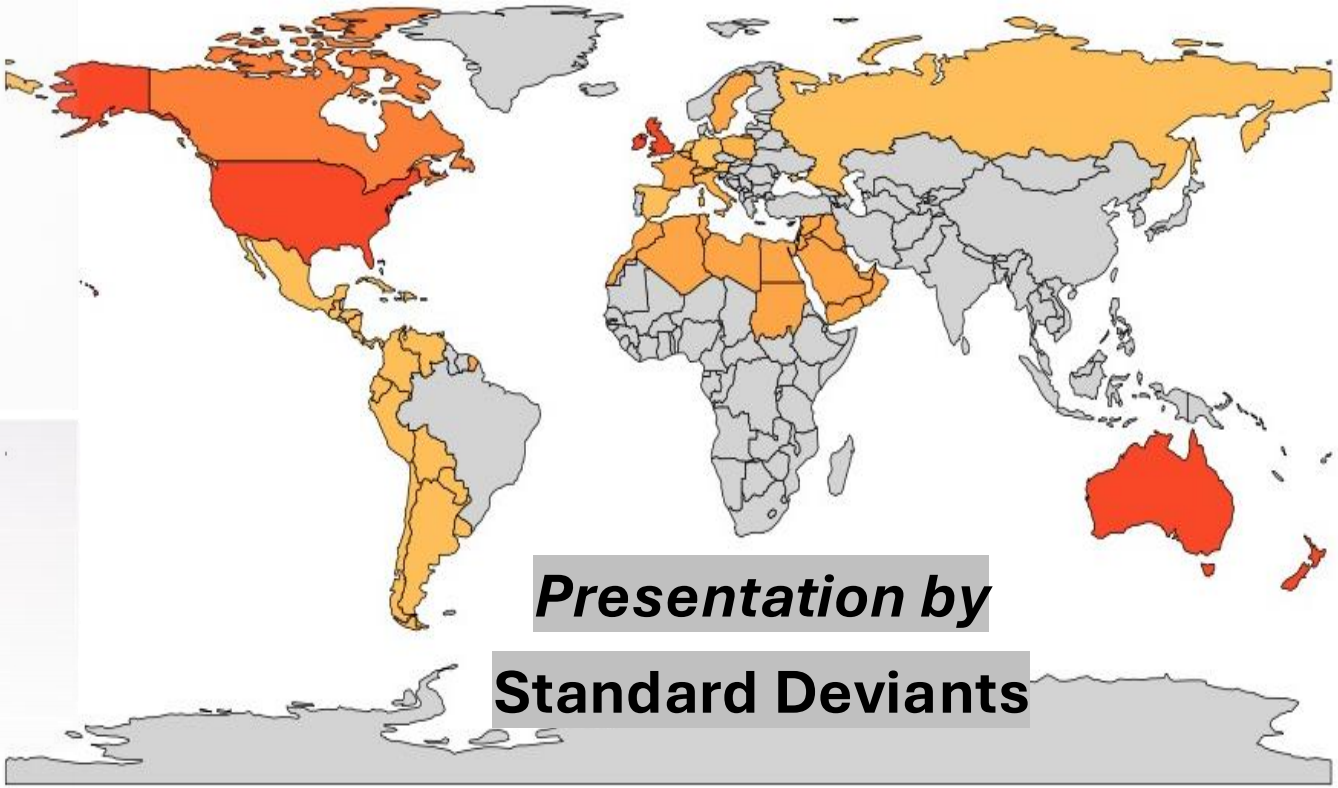
GOOGLE vs WIKIPEDIA
TREND DIVERGENCE ANALYSIS



Presentation by

Standard Deviants

Do Google’s AI Overviews Impact Wikipedia Traffic?

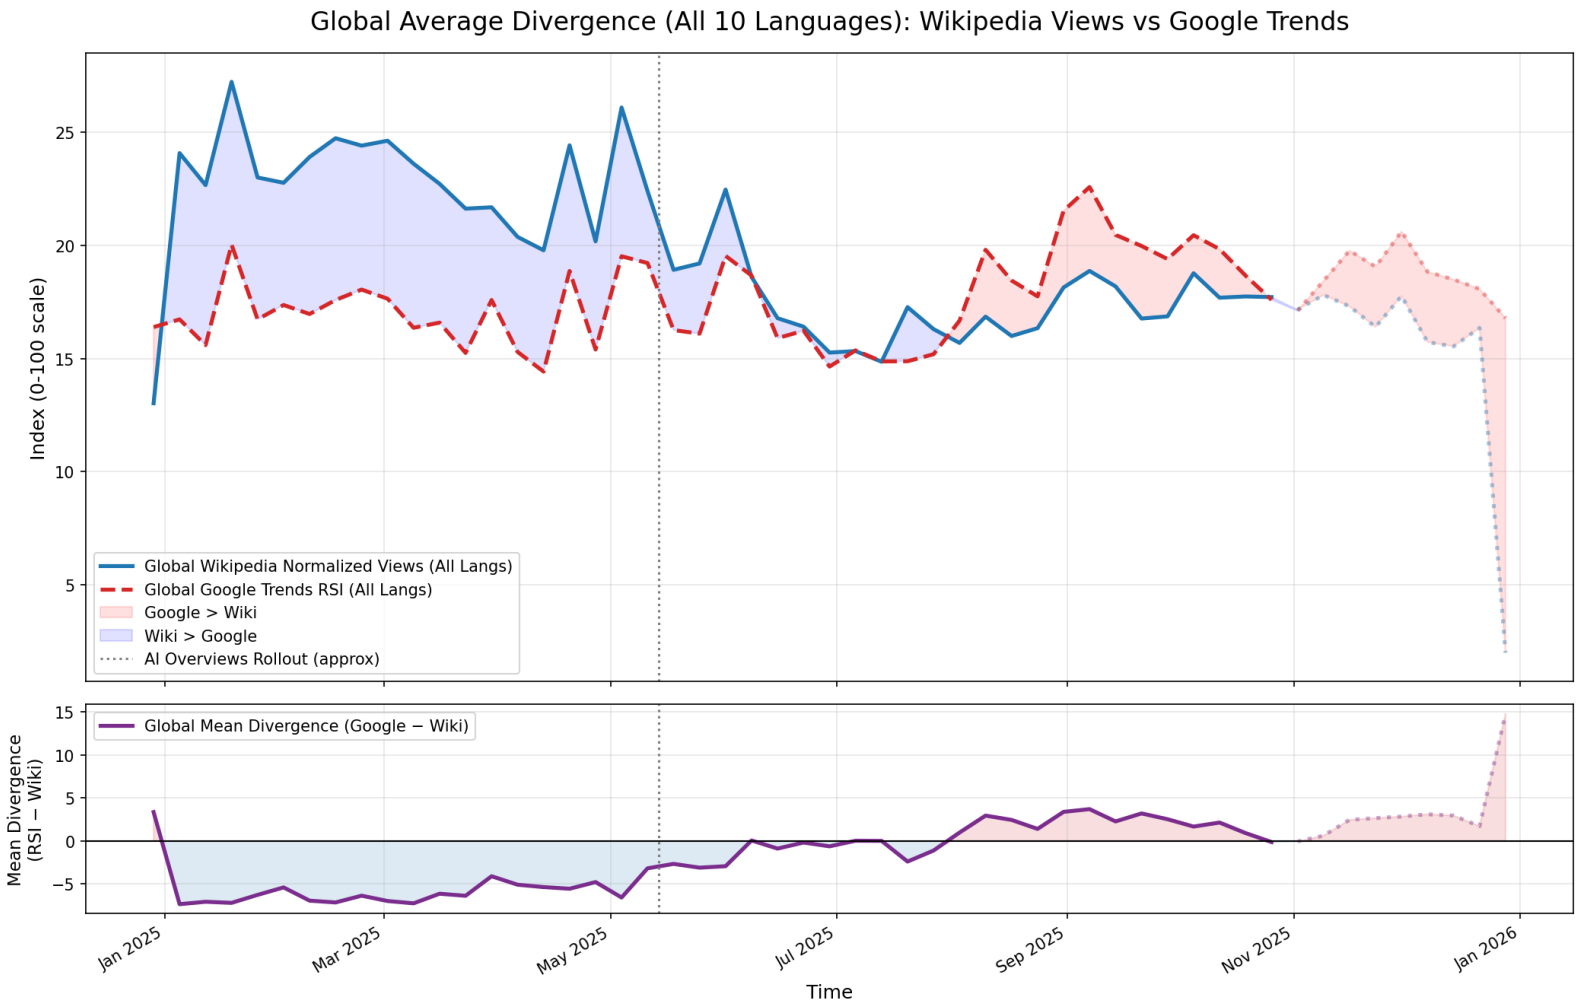
- A Cross-Language Signal Analysis Using Google Trends & Wikipedia Pageviews

  1. Google Advanced AI mode has been rolled out in May 2025 across the most of the world.

- As AI-generated answers surface directly in search, are users bypassing Wikipedia?

  1. Top 100 articles from 10 different languages.
  2. Google Trends vs. Wikipedia Pageviews.
  3. AI Mode as Intervention Signal.

Overall Trend Analysis



- *Users are searching just as much, if not more but they are no longer clicking through.*
